Certificate of Deposit no. _____ Principal Amount \$16,500.

This letter describes the mutually agreed upon instructions of the below signed parties to Zions Bank ("Bank"), regarding the control, redemption, and release of Bank's above-described certificate of deposit ("CD"), which is being used as a surety to guarantee the availability of reclamation funds for the ETNA mine site ("Mine Site"), Iron County, Utah. It is the intention of the parties that the CD be utilized as surety to guarantee that \$16,500 from the CD, together with other previously submitted bonds in reclamation funds will be available to the State of Utah, Division of Oil, Gas & Mining ("Division") and the Utah Trust Lands Administration ("TLA") upon demand in the event that the operator of the Mine Site is unable or unwilling to complete reclamation of the mine site in compliance with applicable state law and regulations.

the aforesaid CD to the Division and the TLA and agrees to record the information in the Bank's written and electronic records of book entry. Further, the Bank acknowledges and agrees that it shall hold the moneys represented by the CD as a custodian and agent for the Division and shall be liable to the Division for any and all losses to the principal amount of the aforesaid CD caused in any manner whatsoever during the terms of this agreement. The Division acts as agent for the TLA. The CD shall automatically renew indefinitely until either redeemed or released by the Director of the Division. The Division may request CD information on an occasional basis. This letter grants approval by JG Resources LLC, for the Bank to provide CD information to the Division any time an inquiry is made via telephone, email, or letter.

Redemption:

The CD may only be redeemed (i.e., called on demand), pursuant to the written instruction or demand of Director of the Utah Division of Oil, Gas & Mining. Upon the instruction and demand of the Director, the full initial amount of the CD shall be transferred to the State of Utah, Division of Oil, Gas and Mining. Owner agrees and irrevocably instructs Bank that neither the Owner, nor any other person claiming an ownership interest in the CD which is derived from the Owner, shall have the authority to prevent the Bank from carrying out the Director's instruction to redeem the CD. Upon redemption, any accrued interest in excess of the initial amount of the CD shall be transferred to Owner's control, or if Owner does not instruct the Bank, the accrued interest shall be reinvested in the CD. If a signature card is prepared, it shall be drafted consistent with the requirement that only the Director of the Division may redeem the CD.

Release:

The Bank shall release the CD only upon the written instruction of the Director of the Division to the Bank. Upon release, the terms and conditions of this agreement are no longer in effect, and the unconditioned control of the CD shall be returned to the Owner, or its legal successors-in-interest. In the event of Bank cancellation/termination of the Certificate of Deposit, the Division may request a transfer or release of the certificate of deposit monies into a state managed cash account to assure or complete

If the Bank is under a forced cancellation/termination, the Bank agrees to transfer or release the CD funds to a state managed cash account at the Division's request.

Accrued Interest:

Prior to release or redemption, all interest which accrues by the CD shall be 1) dispersed quarterly to the Owner as the Owner may instruct the Bank, or 2) shall be reinvested in the CD until such time the Owner may instruct the Bank where to transfer such interest. In no event shall the Bank transfer any amount from the CD which would cause the redemption amount of the CD to be less than the initial amount, \$16,500. All tax liabilities for accrued interest shall remain the sole responsibility of the Owner.
